WOMEN APPEAR AGAIN ON AVENUE

Over Five Hundred Old and Young March With Bands of Music.

SASHES AND BANNERS

Suffragettes Received in Rotunda of Capitol by Certain Senators and Representatives.

Washington, April 7.—Women renewed today their effort to impress the administration with the justice of equal suffrage. Resplendent in the springiest of spring furbelows, 531 enthusiastic women, young and old, with the bands playing stirring music to give them inspiration, marched down Pennsylvania avenue to the capitol. They had plenty of police protection today, the mistake of March 3rd having been guarded against by the local authorities.

The women wore great sashes of suffrage colors. Each carried a banner inscribed with the designation of the congressional district she represented. In the lead were Mrs. James Leeds Laidlow of New York, and Mrs. Mary Ware Dennett.

Right behind them was carried a banner with the inscription:

"We demand from Congress a constitutional amendment giving women the ballot."

Arriving at the capitol the marchers proceeded to the rotunda where they were greeted by a reception committee of representativs and senators from the states which have eual suffrage. Here speeches were exchanged after which the women were escorted to the special gallery in the Senate which had been reserved for them.

Before the procession started to the capital a general mass-meeting was held in the Columbia Theatre. The chief address was made by Mrs. Laidlow, who declared that much attention was being paid to conservation of forests and waterways "but too little to conservation of childhood and human life." She repeated the usual arguments favorable to the campaign and appealed to Congress to grant the women of the nation "long deferred justice."

The funeral of the late Wayne F. Byers took place yesterday afternoon from the residence of Mrs. William Chauncey, 611 south Fairfax street. The services were conducted by Rev. G. A. Gates and Ferdinand Bendheim.

R. E. LEE CAMP.

The annual meeting of R. E. Lee Camp, United Confederate Veterans, will be held in Lee Camp Hall tonight, when officers will be elected and committees will be appointed to make preparations for the observance of Confederate Memorial day, the latter part of May.

DISMISSED WITH WARNING.

Owner of Horses And Cows Arraigned in the Police Court This Morning.

Three persons residing in the western section of the city were cited to appear before the Police Court this morning to answer the charge of allowing horses and cows to roam at large within the city limits. The evidence showed that the old fair grounds was visited daily by equines and bovines, and that at time they strayed upon the parking in front of residences on King street and other thoroughfares. Justice Caton, after hearing the case, dismissed the owners of the animals with an admonition, the court having been assured that the horses and cows would not be allowed to roam at large in future. A fine of two dollars can be assessed on each animal when they are found at large.

NEWS OF THE DAY.

The principal features of tariff revision and the division of the income tax, now contemplated by the Democratic leaders of Congress in accord with the President are as follows: Free wool and a very low duty on sugar, eventually to become free, practically agreed upon. Among numerous additions to the free list will be steel rails. Cuts are to be made all along the line in the meta: schedule. Estimated loss of revenue, $80,000,000 ay year. Income tax revenue to be derived thus: Incomes, $4,000 to $20,000, 1 per cent.; $20,000 to $50,000, 2 per cent.; $50,000 to $100,000, 3 per cent.; all over $100,000 4 per cent. Flat tax on corporations 1 per cent. All incomes under $4,000 exempt.

A double killing occurred Thursday night at War Eagle, near Williamson, W. Va., when two brothers, George and Beckley Griffin, were waylaid and shot by Dave Harley, it is alleged. The tragedy followed a trivial quarrel between the Griffin brothers and Hurley and his brother. While the Griffin boys were returning to their home they came upon Hurley, who, it is alleged, had been lying in wait for them for several hours. He is said to have opened fire on the brothers, several shots taking effect, and both soon expired. Hurley escaped to the hills. All the boys concerned in the affair are under 21 years of age.

After shrieking, "The only way I can save your soul is to kill you," George Brown, aged forty-five, of Bachelor, La., shot and killed his 16-year old aughter who had insisted upon her right to marry a man of another religion. He then hanged himself yesterday. When the girl's fiance heard that she was dead, he shot himself, but he will recover. The father had bitterly opposed the match, telling the girl again and again that her sould would be damned if she carried out her plan to change her religion to that of her sweetheart's. After finding he could not change his daughter's determination, the father killed her.

The 16-months old child of Edward Hohrath, of Broolyn, was shit in the forehead and probably mortally injured yesterda evening by a man who leaped from a doorway as the baby was being wheeled near him by a servant employed by the Horhath family. The nurse did not know whether the man had aimed at her or the baby carriage. The man ran and disappeared. The baby is in a critical condition.

Lloyd Cave, a choirboy in St. Paul's Church, South Norwalk, Conn., was mortally injured yesterday, when, in playing in the yard of the church he overturned a tombstone. It fel upon him pinnig him to earth. Cave's companions were unable to remove the stone, and it was only after Rev. L. B. Howell and other men had arrived that it was lifted. The boy was unconscious. Dr. W. J. Tracey found that his skull had been fractured and his back injured, perhaps broken.

In a written confession made at Chickasaw, Okla., yesterday to the county attorney, sheriff and mayor, Mrs. R. S. Woodward, said that her hueband R.S. Woodward, died from poison given him first in a can of sardines and again in a cup of tea. She says she and Mrs. Henry Ryvers and John A. Young, a shoemaker, planned the murder in order to get the $1,000 life insurance of dead man. Woodward was a young grocer, who died last week. Mrs. Woodward and the man and woman she implicates are in jail.

Rudolph Warren, son of Joe Warren a prominent American sugar planter, died last night in a hospital in Habana from a pistol wound in the abdomen which he received in a duel yesterday with Hannnbal Mesa, a member of a wealthy Cuban family. The two young men had recently had several physical encounters, and are reputed to be rivals for a woman's affections. As a result Mesa challenged Warren, which, according to the Cuban code, conferred the choice of weapons on Warren.

PRESIDENT WILSON TO VISIT CONGRESS

Says it is the Only Dignified Manner to Present His Views.

REVIVING PRECEDENT

Mr. Wilson Thinks it Hardly Satisfactory to Follow Custom of Perfunctory Reading.

Washington, April 7.—"I consider the only dignified plan for the President to get his views before Congress at the opening of its session is by personal visits to both branches of that body," said President Wilson today.

In explaining at some length his plan to attend the session tomorrow and deliver his message in person, the President said that the ordinary proceeding of dispatching it by a messenger and "having it read in a perfunctory manner by a clerk" was hardly satisfactory. He said that in reviewing the precedent established by President Washington he believed he was recognizing the dignity of the legislative branch of the government.

Meeting of Congress.

Washington, April 7.—Reading of the President's proclamation calling the special session of Congress was the first business conducted by the new Senate when it met at noon. The ceremony was followed by the swearing in of Senators Lawrence Y. Sherman, of Illinois, and Nathaniel B. Goff, of West Virginia.

Hundreds of suffragettes, many of them in bright spring attire, filled the galleries and attentively followed the response to roll call.

Twenty minutes sufficed to dispose of all business, recess was taken at 2 o'clock, when it was expected that President Wilson might forward some nominations.

Flourishing a bible, George B. Clemmer, Monroe, N. C., 28 years old, rose in the Senate gallery just as recess was declared and called out "Mr. President!"

He was hustled out by a door keeper, and later released as a harmless irresponsible.

Clemmer announces himself as representative of the "Herald Prince of Peace."

Resolutions giving cabinet members the right to the floor of the House to engage in any debates, which concerns their departments, and enforcing their attendance in the House twice a month to answer any question representatives may ask them, relative to the conduct of their departments, was introduced in the House today by Representative Montague, of Va.

Representative Mann, the republican minority leader, escorted the presiding officer to the rostrum and introduced him as "one of the noblest of men and the ablest of speakers."

The vote for speaker was:

Clark, 271; Mann, 111: Murdock, 18; Nelson, of Wisconsin, 1; Cooper, of Wisconsin, 4.

Nice.—Elizabeth Roux became the family maid of Dr. Paul Milton of 1841 and died at the age of 86, having served the family continuously for seventy-two years.

THE WILLIAMS CASE.

The thirty days allowed Councilman Julian Y. Williams, who holds a seat in the City Council from the Second Ward within which to apply to the Supreme Court for an appeal against the decision of a jury in the Corporation Court declaring him not entitled to sit in Council, expired today. No petition has so far been presented to the higher court and if the usual procedure was followed the decision of the Corporation Court would be made final. Gardner L. Boothe, attorney for Mr. Williams stated today that owing to a number of reasons the appeal had not been filed but would be presented to the Supreme Court tomorrow morning, an agreement having been arranged with Judge Barley and Corporation Attorney Brent for a few more days in which to secure the appeal.

It is understood that Mr. Williams will not attend any session of Council until the Supreme Court has passed on the appeal.

CARDINALS WIN OPENING.

Home Run Drive by Cockrell Saves Game For Locals.

A home run drive over the far end of the right field fence in the eighth inning, with the bases full, turned defeat into victory for the Cardinals over the Business High School Saturday. Up to this time it seemed that Breen's faithful were destined to taste the sting of defeat.

The stenographers were leading up to this inning by a margin of four runs, but the Cardinals found their batting eye, and Hayden, the lead-off man, started things going with a clean two-bagger, which was followed by three singles and a base on balls. Cockrell stepped up to the plate with three on and one down. An instant later a resounding whack, the ball shot out to right field and over the fence, and four runs crossed the pan.

Burgendine's double and Hick's single put two men on when Nugent whiffled. Hayden then followed with his second hit in this inning which scored the sixth run.

Hayes, who started to pitch for the Cardinals was ineffective against the Business sluggers and was yanked in the fourth inning, after allowing the visitors to score five runs. Burgendine, who relieved him, pitched a good game for the remaining eight inlings, striing out 8 and allowing only two hits.

Kelly, for the High School boys, twirled a good game and surprised the local boys with his curves. Except in the first and eighth inning the locals were unable to connect.

The Cardinals play Central High School Thursday evening at 4:15 and the Army and Navy School Saturday.

HEALTH OFFICIALS BEGIN THEIR WORK

Inauguration of Clean-up Week by the House-to-House Inspection.

DOG WAGON APPEARS.

Many Changes Made on Premises in Different Sections of City—Visits Stores, Bakeries, Etc.

It was apparent about noon today that dogs had scented the wagon and net from afar and suddenly vanished. Usually many are encountered at that time, in most cases in bunches, but they were scarce as mermaids while the doleful rumble of the wagon was heard.

The wagon began its rounds of the city during the morning, and up to noon twenty-one luckless curs, minus medals and muzzles were netted and landed in the cage on the wagon. The animals gazed imploringly at passersby and scene was suggestive of pictures of passengers in hay carts of Paris during the reign of terror. The dogs were transported to the premises of the gas works, where they will remain for a few days to await the appearance of their owners or such as such as wish to redeem them. Should no friends come to the rescue, the vagrants will be dispatched.

Fifteen dollars collateral was collected.

The action of the police officers of this city, in making a house to house canvass has resulted in the cleaning up of yards and cellars. A large number of premises have already been placed in a much cleaner condition than they were several weeks ago. School children have been actively engaged in cleaning of back yards and are becoming very enthusiastic over the work. Every child is being encouraged in the work of planting grass seed in bare spots and a large number assisted by their parents will plant flowers greatly improving the general appearance of both front and back yards.

The lawns surrounding the old colonial mansions of Alexandria are in first class condition, and are kept that way the year around, not being surpassed in their beautiful appearance by lawns of private residences in this section of Virginia. The clean-up agitation is expected to greatly improve the appearance of a large number of the back yards of some of the residents in outlying sections also alleys.

The city health department takes up active work today. Dr. James J. Garvey deputy health officer began his rounds of stores and markets this morning and intends to give personal attention to the clean up work, seeing that there are no violations of the health laws by storekeepers, while the police force looks after all violations of the law on premises of residents. The police officers make their daily reports of the condition of premises to the Chief of Police who reports to Dr. E. A. Gorman, the city's health officer.

It is the purpose of the health department to designate a certain number of days this week for the work of carrying away rubbish.

The members of the Civic Improvement League, members of the police department, and members of the Boy Scouts, will vie in the work.

A fly-swatting crusade will be inaugurated by the health department. This crusade will be continued all summer. As was the case last summer, prizes will be offered each month for the children swatting the largest number of insects.

MONTENEGRO IS STILL DEFIANT

Was Planning Another Assault on Scutari Today.

SITUATION IS GRAVE.

Five Great Nations Maintaining Blockade of Montenegrin Port—Demand That it be Raised.

Cettinje, April 7.—Planning another combined assault on Scutari today, the Montenegrins and Servians continued to defy the concert of the powers, while warships of five of the great nations maintained a strict blockade at Antivari, Montenegro's port on the Adriatic.

The forces besieging Scutari were augmented by fresh Servian artillery. King Nicholas and Premier Tomanovics were warmly congratulated by the people on their deficiant reply to the British admiralty in command of the international fleet. The admiral by telegraph demanded that the sieke of Scutari be lifted, and the premier replied that the blockade was a violatioh of neutrality and that Montenegro, backed by Servia, Bulgaria and Greece, would continue to attack Scutari until the city falls.

London, April 7. — The Montenegrin situation admittedly is acute today, and the ambassadors were hurrying about to informal conferences, while expecting a request from Sir Edward Grey, secretary of State for foreign affairs, to meet at the foreign office.

All of the powers but Russia are represented in the international fleet blockading Antivaria, and Russia has approved of the move. Two more German vessels today left Kiel to join the blockade.

Diplomats professed to believe that a peaceful solution of the difficulty could be found, but none of them gave any tangible idea of what form the solution might take.

Escape in Night Clothes.

Chicago, April 7.—Refugees who escaped in their night clothes from a burning apartment, stood awe-stricken in the street today and watched William Davis, trapped in the third story, tie a rope of sheets around his wife, lower her to the ground, and then swing his baby by the same rope into the arms of a man in a window in a house next door. Davis was later rescued by firemen. Mrs. Davis was perhaps fatally injured by a short fall.

Why Salves Can't Cure Eczema

Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and cannot penetrate to the inner skin below the epidermis where the eczema germs are lodged.
This—the quality of penetrating—probably explains the tremendous success of the well known liquid eczema remedy, oil of wintergreen, thymol, glycerine, etc., as compounded in D.D.D. Prescription.
We have sold other remedies for skin troubles but none that we can recommend as highly as this for we know that D.D.D. stops the itch at once. We can give you a trial size bottle for 25 cents that will be enough to prove it.
Of course all other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.
But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee:—If you do not find that it takes away the itch AT ONCE, it costs you not a cent.

NEWS OF THE OLD DOMINION.

MINISTERS ARE ORDAINED.

Impressive Services at the M. P. Conference.

Lynchburg, Va., April 7.—With impressive services, which were conducted by President Bowers, of the Methodist Protestant Conference, five young ministers received their rites of ordinance in the First Methodist Protestant Church, at the service yesterday morning. The ordination sermon was preached by Rev. A. A. Harryman, pastor of the Whaleyville charge, in which he admonished the young ministers to beware of flattery, as it will only feed your vanity.

The text was. "Take heed to the ministry which thou hast received in the Lord, and full fill it," found in Colossians, iv. 1. After sermon and the ritualistic service President Bowers, assisted by Rev. F. T. Tagg, W. R. Graham, S. W. Coe, J. Earle Meloy, J. M. Sheridan, F. T. Little, G. W. Haddaway, D. L. Greenfield and H. L. Eldedice, the following were ordained as elders in the Methodist Protestant Church: Ernest W. Simms, Vivian A. Miller, Charles W. Sanderson, William F. Bauscher and Arthur W. Ewell.

In his address of admonition, Dr. Bowers reminded the young ministers that theirs is a life of toil and of self-sacrifice, and in order to make a success of their calling they must be men, be loyal men, and above all, be Christian men. After the service there was an informal reception, all the ministers and many of the members of the congregation coming forward and welcoming the new members of the Conference.

Nearly every Protestant Church in the city and many in the suburbs had their pulpits filled by members of the Conference at both the morning and night services, President Bowers remaining at First Church at alle three services.

At the memorial services which were held yesterday afternoon the usual solemnity prevailed as member after member arose and gave verbal testimony to the memory of the deceased brethern. The service was conducted by President Bowers, while Rev. A. Norman Ward read the names on the dead roll. The dead list is as follows:

William Sherman Phillips, for years secretary of the Conference; born in 1868, died July 10, 1912, at Newark, N. J. In the Conference 20 years.

Herbert F. Wright, born in 1866, died at Towson, March, 1912.

Robert S. Rowe, born in 1845, entered the ministry in 1865 and died in Baltimore, 1912.

Charles S. Arnett, born 1852, entered the ministry in 1878, died in Baltimore, 1912.

Frank J. Smith, born in 1868, entered the ministry, in 1890, died at his home in Pittsville in March of this year.

Fireman Killed.

Chicago, April 7.—Captain George P. Foley of Engine Company No. 84, was crushed under a falling wall and fatally hurt in fighting a fire that menaced property valued at a million dollars in the stock yards district early today. Three other firemen were caught under the wall and seriously injured. The fire loss was $250,000.

The explosion of a cold storage plant in a beef house set fire to a four story building owned by Armour & Co. an dthe flames spread to other buildings.

Found a Cure For Rheumatism.

"I suffered with rheumatism for two years and could not get my right hand to my mouth for that length of time," writes Lee L.Chapman, Mapleton, Iowa. "I suffered terrible pain so I could not sleep or lie still at night. Five years ago I began using Chamberlain's Liniment and in two months I was well and have not suffered with rheumatism since." For sale by all dealers.

FRUIT IN VIRGINIA.

Orchards Said to be in Splendid Condition.

Richmond, April 7.—The mild winter just and the early coming of the spring weather have combined to keep the nurserymen and the fruit growers all over Virginia on thorns, so to speak. They have gone to their couches at night fearing that before the dawn should come again Jack Frost might do his worst and destroy all of their hopes for profits for this year at least. In fact, there have been reports now and then for the past three weeks of sad havoc that Jack Frost has been doing in the orchards all over Virginia. Fruit growers are easily frightened when the cool nights come after the trees in the orchards have bloomed or half bloomed and it now turns out that these badn news stories were founded more in their fright than in fact.

Well authenticated reports now are to the effect that so far the fruit has not been seriously damaged.

Even apricots, in many instances, are all right. These are the first to bloom and generally get killed. Many peach trees have long been in bloom, but apple trees are very backward, showing no signs of blooming, while the forests are as bare as in dead winter. It is encouraging to know that so far the fruit is safe, but this does not mean that there will be an abundant crop. As has been frequently noted, April is the month when the blooms are most exposed and easiest killed.

MEN LAID OFF.

Chesapeake & Ohio Railway Company Issues Drastic Orders.

Richmond, April 7.—All the men in the shops of the entire Chesapeake & Ohio system have been laid off for ten days, commencing today.

The order was announced today. It followed a protest on the part of the entire system against a decrease from a ten-hour to a seven-hour day.

It is said that the men were given their choice of a flat ten-day lay-off or a reduction of three hours in the day's work, and that when they protested against either, the ten-day lay-off was immediately announced.

The damage done to the property of system and the fact that much traffic has been suspended on account of the rising waters of the Middle West, is given as the cause of the lay-off.

The order created consternation among the Chesapeake and Ohio shopmen here.

Mr. E. D. Hotchkiss, who was appealed to by the local men when the three-hour reduction was announced, immediately gave notice of the ten-day flat layoff, it is said.

That the order will mean a considerable monetary loss to Richmond is evident. That it may lead to labor troubles is the fear of some of the most conservative observers of the system's activities.

The action of the system is considered drastic.

Charge Against Senator Dropped.

Washington, April 7. — On the ground that only members of the Senate are privileged to present charges of misconduct against a Senator, Vice-President Marshall today announced that he was unwilling to deal with the accusations of immorality preferred Saturday against a member from a western state, and sent to him by a citizen of that state.

ALLEGED HEIRS.

Persons Claiming Right to Lord Baltimore's Millions.

Lynchburg, Va., April 7.—People in southwest Virginia who are reputed to be heirs of Lord Baltimore will meet at Bluefield next Tuesday to arrange for some concert of action in an effort to come into possession of millions left by the English lord in this country and in England. It is intended to organize and map out plans for an effort to establish a legal right to this estate, if it exists. Attorneys are at work in that section, it is said, in an effort to collect family records. Mrs. A. B. Sutton, who has a complete family record from Lord Baltimore to the present is one of the persons most interested in the movement. This effort looking to the reputed fortunes of Lord Baltimore recalls a long effort made by the Baker descendents in the Valley of Virginia together with other branches of the family in Ohio and Missouri, some years ago to lay claim to an estate in the city of Philadelphia. Many years was spent endeavoring to claim an estate in that city, but after long and painstaking research it was given up, but not until a quarter of a century and a considerable amount of money was expended in the effort. There are now numerous people in the valley who believe they have money coming to them in Philadelphia, but they have never been able to find the "fortune" or to establish their inheritance.

ANTI-SALOON FIGHT.

Colored People in Content Joining With the "Drys."

Bristol, Va., April 7.—The fight to put an end to the liquor traffic in Bristol is warming up, even in advance of the mass meeting called to perfect plans. Dr. J. A. Baylor, pastor of State-Street Methodist Church, preached a sermon on the subject in his church recently. He expressed confidence that the temperance people will win the fight.

A petition for an election will be presented to Judge Kelly this week.

The Colored Ministers' union has endorsed the movement for an election on the whisky question in Bristol, and the ministers of that organization are pledged to work for the success of the proposition to vote the city "dry."

Looking for Swindlers.

Winchester, Va., April 7.Police here are searching for a band of women who it is alleged fleeced a number of people out of considerable sums of money on the lace game. One of the victims here is Mrs. Bessie B. McCann, who is said to have given two of the women checks amounting to several hundred dollars. The women claimed to have a shipment of lace from Scotland held in the customs house in New York city pending payment of customs duties and wanted to borrow the money to pay the duty and have the lace released. Mrs. McCann gave them two checks which they cashed at a local bank and disappeared. There were four women in the party.

THE ETERNAL ABODE OF J. PIERPONT MORGAN.

Rev. George Chalmers Richmond, in his sermon on the Christian standard of life, before the congregation of St. John's Episcopal church, in Philadelphia, yesterday, said:

J. Pierpont Morgan has not gone to heaven, for there is no such place as heaven. Besides he would be very unhappy up among the angels, with all his art treasures. He is now beginning a new life in a new world—perhaps in this world as a common day laborer."

If it caused his death to testify before the Pujo Investigating committee, then should more of his type be called to testify.

In the Episcopal church Morgan had a dominant influence. He controlled our House of Bishops, yet he held back religious enthusiasm, for he did not believe in it at all. Our church will never progress very fast until about 25 rich corporation officials, retired financiers and aristocratic gentlemen (sarcastically), who at present control our general convention, go to join Morgan. The sooner they go, the better.

The Great King David once said he would prefer falling into the hands of God than man, as more mercy would be shown him, and, judging from the above utterances, he expressed wisdom.

J. Pierpont Morgan was in a sense, an unfortunate man—he inherited business instinct, commercial foresight, and the industry of a beaver—and if the development of these gifts of nature was a sin unto death, he should receive our sympathy, not anathemas.

The Great Teacher did not close the doors of Heaven to a rich man He did however, imply that such are destined to have a rough road to the eternal city. There are other classes also who may be compelled to "agonize" to enter the kingdom.

A minister in Alexandria many years ago in speaking on this subject set numbers of his congregation to thinking when he said that when he first read the Saviour's words concerning the difficulty of a rich man being saved, he supposed that only the opulent were referred to. He however, had revised his opinion considerably in later years, and believed the words of the man of Galilee were aimed at impecunious people also, as the great majority of this class builded air castles and mused on what they would do if they had the means. They are worshippers of riches, and had they millions at their command they would exceed the Count of Monte Christo in riotous living.

But a word for Morgan. We are told that we will find many people in heaven we never expected to meet there, and that others who we imagined had through tickets will be among the missing.

There was a Joseph of Arimathea, a rich man, among the first fruits of the Gospel. We have not been accorded the privilege of inspecting the Lamb's Book of Life. Croesus may have his name therein.

One of the Hebrew prophets surprised the great King Cyrus during the Babiyonish captivity by showing that historical personage that his name had been placed in the Hebrew scriptures by the Prophet Isaiah many years before the Persian monarch was born, foretelling the part he was to play in restoring the Jews to their own land.

When the reading angel comes to the letter M. on the great day Morgan may answer "here", notwithstanding Mr. Richmond's opinions. Let us hope so.

CRUSADE AGAINST CAPITAL PUNISHMENT.

Some misguided people who suppose themselves wise above that which has been written, are engaging in a useless crusade towards the abolition of capital punishment in this state. Strange to say, some who are prominent in this questionable work are ministers of the gospel, who are suffering from a hallucination that they can gradnally bring on the millenium. In this connection it may be well to state that whenever a prominent man, such as an official or member of a well known family, is guilty of murder, the apologists for others guilty of the crime invariably demand that he receive the full penalty of the law. This was apparent a year ago when a young man was executed in Virginia for killing his wife, as it was also several years before when the former mayor of a city of the commonwealth paid the penalty of the law for a similar offense. But when fierce mountaineers, defiers of law who, apparently flee civilization, arm themselves and become wholesale murderers,, the same class of people find their hearts bubbling over with pity and attempt ta induce the governor of the State to sear his conscience and prove unfaithful to his oath of office and his sacred trust by standing as a buffer between fierce criminals and the gallows.

The element referred to above also desire the legislature to change the name of the penitentiary to the "Home for Unfortunate Men and Women."

It is high time that people who possess masculine minds, were calling a halt upon such asinine dreams.

VALUABLE ADVICE.

Alexandria Citizens Should Profit by The Following Statement.

Doan's Kidney Pills were used by this Alexandria resident.

Their merit was shown—the story told.

Now comes further evidence.

The testimony is confirmed.

The remedy was tested—the results lasted.

Could Alexandria residents demand stronger proof?

It's Alexandria testimony. It can be investigated.

Miss Harriett Johnson, 207 Queen street, Alexandria, Va., says: "I have had no symptoms of kidney complaint during the past four years, since Doan's Kidney Pills cured me. I willingly repeat the testimonial I gave at the time my cure was made. For two years I had a lot of trouble with my back. As long as I kept still I got along alright, but as soon as I began to work I was bothered terribly by backache. A neighbor gave me a box of Doan's Kidney Pills, procured from Leadbeater & Co.,'s drug store and this remedy cured me. I would advise any kidney sufferer to use Doan's Kidney Pills."

For sale by all dealers. Price 50c Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

SMILES.

By The Second Ward Bard.

MY GRANDSON BILL.

My grandson Bill is a merry little boy,
Oh a sprightly kid is he,
And his heart is full of a happy, childish joy,
When he sits upon my knee.
The ticking of my watch he always wants to hear,
And he pulls my whiskers and he tweaks my ear,
And the world seems bright, instead of cold and sere,
When he sits upon my knee.

To amuse himself is his end and aim in life,
And he's active as a mouse,
And when Bill is there there will likely be some strife,
When he plays about the house.
The dog he always plagues, and he pulls the kitten's tail,
The canary bird he serves on a piece of toast like quail,
To try to catch the gold-fish each day he does not fail,
When he plays about the house.

When his evening meal is done at the closing of the day,
And his daily prayers are said,
Then his nurse must tell a story that includes a fight or fray,
Just before he goes to bed.
He likes the tales of pirates and the victims whom they slew,
And the yarns of savage Indians in war-paint red and blue,
For the goody-goody stories Bill says will never do,
Just before he goes to bed.

If he tripped up and sprained his ankle, could Robinson Morcure it?

If old Fannie should die, would Frank F. Marbury her?

If he liked one of his horses better than the others, would Robert N Pettit?

What's the idea of this new style of collar that all the young fellows are wearing? Are we really coming to those long-winged effects, or are the boys just wearing them for a joke?

The Greek flag once again flies over the corner. Never more will the agile "Chalk" glide to the kitchen after the succulent ham and eggs and Turkey trot back to draw the coffee. Our distress is keen and sincers. Truly, the good die young.

Swing your partners, balance all,
How my heart the music thrills!
Still I'm lame and stiff and sore
From dancing lancers and quadrilles

Newport, News, Va., April 7.—Thomas Morrissey, a rigger, was killed and M. F. Keffer, a carpenter, was badly hurt when a scaffolding on which they were working at the ship yards collapsed yesterday A third man saved himself by grabbing a joice attached to the pole against which the scaffold rested. Morrissey and Keffer fell thirty-five feet, and the former fractured his skul, death resulting an hour later.

NEWS OF THE DAY.

Rather than be taken to an asylum where it had been decided she should be sent for a time as the consequence of a recent illness, Mrs. George C. Hankins, wife of a prosperous farmer at Sassville, near Lakewood, N. J., burned herself to death in her home Thursday morning, pouring kerosene over her clothing and touching a match to the oil-soaked garments. Her husband, rushing in from the dooryard where he had been working, dashed water over her and wrapped her in a blanket. She had been fatally burned, however, and died after gasping out the explanation for her act.

Two white men and two negroes convicted of murder in Montgomery county, Ala., were hanged yesterday. The first of the condemned to mount the scaffold was Walter Jones, white, convicted for the murder of Sloan Rowan in a railroad train. The trap was sprung at 6:18 o'clock, but the rope slipped and Jones was not pronounced dead until until 36 minutes later. Persons who witnessed the execution said deputies were compelled to hold Jones' body away from the floor. The trap was sprung on Arnold Gilmer, white, at 7:18 oclock Seven minutes later physicians pronounced him dead. Gilmer was condemned for the murder of Mrs. Lucille Tippetts on December 23, 1911. John Adams, a negro, who killed a Montgomery patrolman, was pronounced dead 14 minutes after the drop was sprung. Sixteen minutes were required for the execution of Coleman German, negro, who killed his wife.

Joe Wilber, light weight of Binghampton, N. Y., was knocked out in the fifth round by Frankie McCann, of Scranton, berore the Nonpariel Athletic Club last Tuesday night, and has retained an attorney to press a claim for injuries received in the knock-out. Wilber received a beating that he claims had necessitated his staying at home ever since. He demands pay for the attendance of physicians, a nurse, time lost, and the cost of medicines.

The Japanese government has lodged formal protest with the State Department against the protest enactment by the State of California, what it considers anti-Japanese legislation the measure prohibiting the alien ownership of land in California. The Secretary of State may send a communication from the Secretary of State to the governor of California directing his attention to the international questions involved in the proposed actions of the legislature.

Mrs. Jacques Futrelle, Mrs. Henry B. Harris, and Mrs. George Thorne—all widowed by the Titanic disaster—will pay a wonderful tribute to the memories of their husbands on the anniversary of the sinking of the huge liner. The three, accompanied by as many other women similiarly bereft as find it possible to go, will sail from Boston for Europe, early on the morning of April 13, and according to the plans now under way, will be on the scene of the disaster about 2:15 on the morning of April 15—the time and date of the calamity. Baskets of flowers will be tossed out into the night upon the water where the most fearful chapter in the lives of those woman was written.

Mrs. Mary ollins Walton, wife of Lloyd J. Walton, of Carmichaels, Pa., a wealthy coal operator, watched her husband as he dismounted from his auto, in which was Mrs. Mary Greenwalt, a widow, young, blonde, and pretty, at a drug store Thursday night, Mr. Walton entered the store. Mrs. Walton ran out to the car, and, drawing a whip from her under her cloak, lashed Mrs. Greenwalt on the face and arms. A crowd gathered, and cheered Mrs. Walton. Mr. Walton ran out, and his sympathies were with the widow. He got a horsewhipping, too, Mrs. Walton was so occupied punishing her husband that she did not keep her eye on Mrs. Greenwalt, who threw Mrs. Walton to the ground, and severely pummeled her. All three were arrested, and each paid a fine of $10.

President Wilson will appear tomorrow before a joint session of the Senate and House in the latter's chamber, and deliver in person, as an address, the message he has prepared outlining the business for which he has called the Congress together in extraordinary session. John Adams, George Washington's successor, was the last President of the United States to take advantage of his constitutional right. That was in 1801.

In order that the babies may not keep the mothers from attending Church, Rev. Ira William Barnett yesterday instituted a creche in the First Presbyterian Church, of Port Chester, N. Y., and six infants were cared for while their mothers listened to the sermon. Rev. Dr. Barnett some time ago noticed that the attendance at his church was falling off, and after inquiry ascertained that many mothers could not attend "because of the baby." After discussing the matter with his vestrymen, it was decided to install a nursery in the "social room" in the rear of the church and to name two young ladies to act as nurses each Sunday. The idea caught instant favor, and in addition to the six babies cared for yesterday nine others were brought to the church for baptism at the conclusion of the services.

In a letter to William H. Van Wart, secretary of the Grover Cleveland memorial fund committee, Mrs. Thomas F. Preston, formerly Mrs. Grover Cleveland, denies that her daughter, Miss Esther Cleveland, is engaged to be married. She says the false report widely circulated has distressed both her and her daughter.

Three persons were injured, one perhaps fatally, by the explosion of a bomb in the doorway of Jacob Kleinberger, a clothier, early last night. Warren Lewis, a young man who was walking down the street with two companions, saw a fuse burning in what appeared to be a giant firecracker. He is in a hospital in a serious condition. His two companions were blown from their feet and their clothing torn to shreds. Several stores were partly wrecked and windows for a block were broken. The police, who are making an investigation, have so far found no clew. Kleinberger can assign no motive for the attempts to blow up his store.

King Nicholas of Montenegro, is quoted in the Paris Temple as saying that he has learned with sorrow that the cruiser Edgar Quinet, will represent France in the naval demonstration on the Montenegrin coast. "It is a bitter irony," says the King, "that the name of the illustrious writer, Edgar Quinet, the upholder of people struggling for independence and unity, should be associated with an expedition against the small, but valiant, champion of Balkan independence. "You may say that despite the measures of coercion taken by Europe against her, Montenegro will yield only to violence. It remains for Europe to add the ridicule of armed force to her injustice."

GREAT IDEAS OF GREAT MEN.

It was Hampden who established in the English mind the idea of liberty; Cromwell, who established the idea of toleration; Blake the idea that Britain must be the master of the seas; and Milton the idea of the liberty of the press; and we take the liberty to state that John A. Marshall & Bro., are the best prepared to serve the people this spring with the latest and finest footwear on the market. In addition to other styles their Buster Brown shoes for children, Misses and Grown-up girls are claiming the attention of the buying public. For men their styles are the real thing.

ACCUSED OF RIFLING MAILS.

Boy is Released Under Bail of One Thousand Dollars.

Staunton, Va., April 7.—Investigations that have been in progress for many weeks reached a climax Thursday in the arrest of John Frank Wilson, son of Postmaster Charles L. Wilson, of Churchville, Augusta Co. He is charged with having rifled U. S. mails. When arraigned before Commissioner Hulst Glenn, the young man waived a preliminary hearing, and was released on bail in the sum of $1,000 to appear before the federal grand jury at the next term. His father is his surety. Involving as it does ,a member of a well known family, the arrest has created a sensation.

Postal inspectors had been at work on this case possibly as long as for two months. Numerous complaints had been made by patrons residing in Highland county, at Clare and other points west of Staunton that outgoing mail had never reached the persons to whom it was addressed. As time went by, and as complaints increased, it became evident that the loss of mail was not due to any of the accidents which occur now and then in the service. So the case was reported to Washington. Wilson is said to be about 20 years old.

NEWS OF THE DAY.

Thrown into the ice cold water of the Delaware, off Bridge street, Frankford, Pa., when their skiff capsised yesterday morning, Henry Bennet, one of the occupants, and the only member of the party of four who was able to swim was confronted with the problem of saving his stwetheart, Miss Ethel Bennett,or his best friend. He chose to save the girl and his friend sank to his death despite the efforts of the swimmer later to rescue him by diving.

The reign of socialism in Berkeley Cal., politics, has terminated for the time at least, as the result of a primary election Saturday. Only one socialst candidate was successful at the polls, and that was a woman, Mrs. Elvira S. Beals, running for a place on the school board. There will be another woman on the school board, Mrs. Agnes C. Moody, who defeated the socialist candidate Frank C. Shallenberger, by 2, 991 to 2, 767. Philo Phelps, the choice of Stitt Wilson, the present socialist mayor for his successor, was badly beaten

Miss Mae Duryea, 18 years old, was instantly killed at Princeton, N. J., yesterday afternoon by a touring car owned by Joseph Moran, president of the Atlantic Basin and Iron works, of Brooklyn. The motorist disappeared in the direction of New Brunswick immediately after the accident, but will be captured after a chase by an automobile sent from here. The car was driven by Irving Hoffman, of Brooklyn, a chauffeur, and Mr. Moran and a woman, whose identity has not been revealed were seated in the tonneau When the machine was overtaken in New Brunswick, was not in the car.

Benny Van Sickle, 19. of Ridgewood, N. J., known in that town as a speed maniac, met instant death yesterday afternoon when he was thrown from his fast traveling motorcycle near Arcola. His head crashed into a tree and his skull was fractured.

Boy Burglars Killed.

Upon breaking into the basement of a fashionable dryt goods store at Greenville, S. C., shortly after 3 o'clock Sunday morning, Leonard Smith, the 17-year-old son of a prominent and wealthy family, and his 20-year-old companion, Rowley Martin, engaged in a pistol battle with three policemen who had concealed themselves in the store in anticipation of a burglary. The young men were shot to death and one of the policemen severely wounded.

As soon as they had entered the store, the boys placed masks over their faces, took out their revolvers and held them in shooting positions, and, flashing their pocket lanterns, advanced toward the staircase.

As they drew opposite the counter behind which the policemen were concealed, Policeman Mayfield arose and called to the boys: "Hold up your hands, boys."

Without answering the challenge, it was testified, the boys opened fire. They fired two shots, and then the three policemen, realizing their danger, opened fire.

A total of fifteen shots were fired. An examination of the revolvers showed that young Smith had fired once. Martin twice, and the policemen twelve times together.

Strike in Buffalo

Traffic on practically every electric stree car in Buffalo was at a standstill last night on account of the strike of the employes of the International Railway company which was suddenly declared yesterday morning. William B. Fitzgerald, in charge of the strike, announced last night that more than three-quarters of the entire 1,700 carmen were out. Scenes of great disorder attended all attempts of the company to run cars during the day. Mobs of strikers and sympathizers collected along the routes cut trolley ropes, led the crews from the cars and in the event of their refusing to join the strike, subjected them to rough handling, while in numerous instances cars were almost entirely destroyed.

A feature of the situation is the tremendous number of sympathizers backing the strikers.

The carmen ask a flat wage scale of 23 cents an hour, time and a half time for all overtime, recognition of the union, and the right to present grievances to the company.

Justice Pooley issued an injunction last night restraining the Amalgamated Association of Street and Electric Railway Employes of America, with which the local union is affiliated from interfering with the operation of the company's cars.

TRUSTEE'S SALE OF RESIDUE.

Trustee's sale of the residue of the "Belvoir" or "White House' 'tract of land located in Mt. Vernon Magisterial District, Fairfax County, Va., containing approximately 1100 acres with improvements.

By virtue of the authority vested in us by the will of Philip Otterback, deceased, and under decree of the Circuit Court of Fairfax county, Va., in the suit of Otterback vs. Bohrer, at its March term, 1913, the undersigned trustees will offer for sale at public auction, in front of the Royal Street entrance to the Market House in Alexandria, Virginia, at

12 O'CLOCK NOON, ON SATURDAY, THE 26th DAY OF APRIL, 1913,

the above described property.

This tract, the old home of Lord Fairfax and separated from George Washington's home at Mt. Vernon, by Dogue Creek, originally consisted of approximateely twenty-seven hundred (2,700) acres,of which 1,500 acres has been taken by the United States Government for a school of Equitation or Horsemanship. The balance between ten and twelve hundred acres consists of valuable farming lands and about eight hundred (800) acres of valuable timber. It has a large deep water frontage on the Potomac river as well as a large frontage on Dogue Creek, with valuable fishing shores. The property is improved by the old mansion house, familiarly known for many years as the "White House," a club house, barns, stables, out-buildings and tenant houses. It is situated on the county road between Mt. Vernon and Accotink and is about four miles by road from Mt. Vernon. This property is one of the most historic in the section and would make a very desirable country estate because of its location and the opportunities afforded for fishing and shooting.
